

R. Howard Dobbs, Jr. FOUNDATION

The R. Howard Dobbs, Jr. Foundation operates with the mission to improve the quality of life for individuals, families and communities by supporting educational opportunities, improving access to health services, and promoting environmental stewardship. The Foundation is committed to honoring the life and impact of Mr. Dobbs through its work.

PRIORITY FOCUS WITHIN PROGRAM AREAS

Environment: Conservation/Restoration of Coastal Georgia and Longleaf Pine ecosystems

Education: Professional Development for public school teachers

Health: Capital needs of healthcare safety net clinics

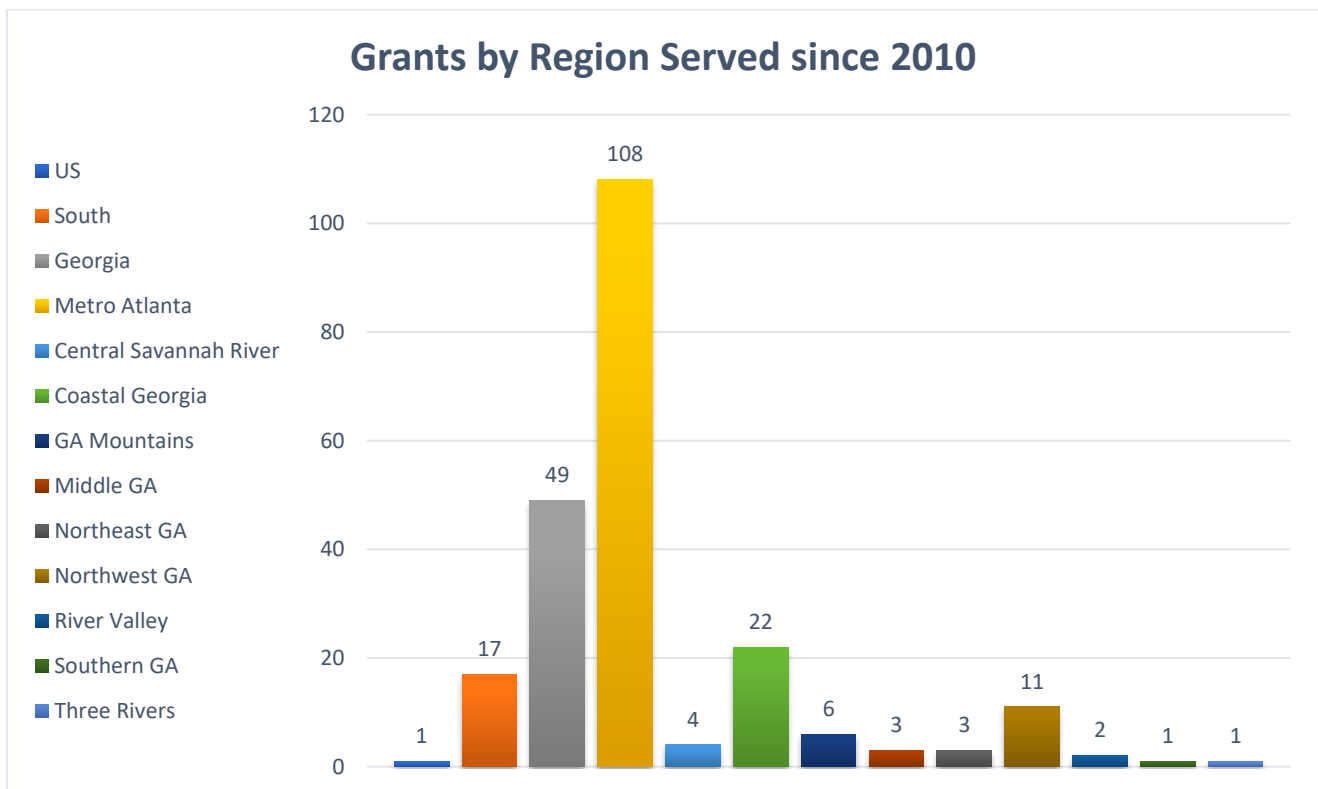

MEDIAN GRANTEE PROFILE

Operating Budget: \$3,000,000

Project Budget: \$300,000

RHDF Award Amount: \$75,000

Geography: 74% of grantees have headquarters or regional office in Atlanta

Because a grant may serve multiple regions, the sum of grants in chart will exceed total number of grants awarded.
